

You must complete this ACT Student Identification Form, in English, if you do not have an acceptable photo ID per the requirements at [www.act.org](http://www.act.org). ### Instructions to Test Staff

In your presence, the student must sign below, and you must initial it. Ensure that all information is complete, the student's photo is attached, and the notary/official seal overlaps a portion of the photo. If any part of this form is incomplete, do not accept it. Compare the student's signatures, the individual to the photo, and the information on this form to your roster to be sure it is the same person. Once the student is admitted to test, collect this ID form and return it to ACT.
