

Your Path to PreACT[®]

Your school announces the testing date.

You begin preparing for the test.

Your best practice for the material on the test comes from paying attention in class.

You take the PreACT test.

Take a timed practice test to get used to pacing yourself.

My testing date:

Try your best on the test to get the most accurate prediction for your junior year ACT score.

You receive your results.

Schedule a meeting with your counselor to learn how to use your results to improve for the future.

You begin using your results.
