## PREACT®, PREACT® 8/9, AND PREACT® SECURE

Get valuable college and career readiness data even earlier with these assessments for students in grades 8, 9, and 10, giving educators more time to improve outcomes.

Scores are available in ACT Online Reporting and are tied to ACT College and Career Readiness Standards, providing predictive scores for the ACT test in grade 11.

## ACT® COLLEGE AND CAREER READINESS STANDARDS

Learn about and use the standards to understand exactly what student scores mean. These serve as a link between what students have learned and that they're ready to learn next. Parents, teachers, counselors, and students use the standards to:

- Communicate learning goals and expectations.
- Relate test scores to skills needed in the future.
- Understand skills needed across score ranges in each subject area tested.
- Recognize paths available to students after graduation in both college and career.

ALIGNMENT**

## ACT® INSTRUCTIONAL MASTERY

Offer teaching strategies and enhanced ACT test prep course instruction for educators to help students do their best. Educators master:

- ACT test content, tied to ACT College and Career Readiness Standards.
- How student knowledge is assessed.
- Best practices to deliver instruction and support skill development.

## PREPARING FOR THE ACT® TEST

Use this free booklet which contains a free, full-length ACT test, giving students a complete overview of the content covered on each section of the test as well as test taking strategies.

Educators can identify reporting categories for each test item to better inform classroom instruction.
